Parent Newsletter – Recreational Classes Fall 2018

YOUR CHILD'S COACH FOR THIS SESSION IS: _____

YOUR CHILD IS REGISTERED IN BADGE LEVEL: _____

Dear Parents and Athletes,

We would like to welcome our returning and new members and thank everyone for supporting our Fall Recreational Session and keeping our classes full once again!! As our policy remains that of keeping all classes at predetermined numbers and only offering classes that we are confident of running with qualified coaches, we did have to establish waitlists and turn some people away. Please watch for our upcoming Winter Session registration in early November to secure the days and times that you require. We are looking forward to a great Fall Session and hope that the kids are ready to jump, swing and bounce.

Below is a list of important gym policies and upcoming dates:

Parking Area – Please use the parking stalls provided to the west and north sides of the building and refrain from parking along the embankment or in other businesses parking lots. Additional parking can be found along the east side of Crystalridge Drive. The roadway in front of the building is very busy so please drive with caution and watch for children who may be darting in and out between the vehicles. Watch for wet and icy conditions as we get into the fall season as the parking lot, sidewalks and stairs can become very slippery.

Footwear – We ask that all footwear (***including family members and friends***) be kept neatly on the boot racks at the front entrance. Please help us keep the hallways, stairs, preschool room and viewing area clean and dry. Coats can be hung up in the preschool room or in the change rooms.

Before Class – Athletes can leave their footwear on the shelves at the front door and hang their jackets in the preschool room or change room. They may get changed in the change rooms and wait in the preschool room until their class is called. Children are not allowed in the gym, on the equipment or in the studio upstairs until the start of their

class. We ask that athletes and parents refrain from blocking the gym entrance as this prevents athletes in classes from entering and exiting the gym.

Gym Clothing – Athletes are required to wear proper gym clothing such as shorts or sweatpants (no buttons or zippers please), T-shirts or tank-tops, or gymnastics/dance body suits. New and gently used body suits are available to purchase and can be found behind the front counter.

Children are to go barefoot, have their hair tied back and all jewelry removed before entering the gym. No chewing gum please!

Siblings – We ask that siblings play or read in our preschool room while class is in progress. This area is unsupervised by the gym staff and parents are responsible for their own children. ***Siblings and parents are not permitted in the gym*** due to insurance policies unless their child is registered in a parented program. ***Parents are NOT permitted on the floor during recreational programs.***

Viewing Area - Our viewing area is located upstairs and is a great place to watch your child's class. We ask parents and siblings to avoid standing in the doorway leading into the gym as this is the only entrance/exit the children have to use when beginning and finishing their class and must be kept clear due to fire regulations.
