

COVID Update #2 - November 17th, 2020

To all of our valued customers -

Due to circumstances beyond our control, as of the end of business on Monday November 16th, Mountain Shadows had to cease all gymnastics classes and will not be able to re-open until Saturday November 28th, 2020. This was brought about by the new restrictions put in place by the Government of Alberta and AHS. During this temporary shutdown we will NOT be offering refunds for any of the current programs. We have amended the session end dates as follows and will issue credits for classes that cannot be extended any further.

Tuesday classes - originally finished on December 8th, now extended to December 15th
(will issue credit for 1 class)

Thursday classes - originally finished on December 10th, now extended to December 17th
(will issue credit for 1 class)

Friday classes - originally finished on December 11th, now extended to December 18th
(will issue credit for 1 class)

Saturday classes - originally finished on December 12th, now extended to December 19th
(no classes will be missed, no credit issued)

Monday classes - originally finished on December 14th, now extended to December 21st
(no classes will be missed, no credit issued)

Wednesday classes - due to Christmas dates, these classes will still end on December 16th
(will issue credit for 2 classes)

This is a very trying time for everyone involved. We appreciate all of the supportive emails from our wonderful customers. It is because of you we look forward to reopening and welcoming you back once again.

Please stay safe, and feel free to reach out if you have any questions. We will keep you updated of any further changes.

Thank you,

Michelle, Jim and Staff

Mountain Shadows Gym Club
